

Mother's Day Blessings

from The Women's Shelter

One of our most cherished traditions is the celebration of Mother's Day. Beautiful cards acknowledge our mothers and other women because of their special places in our lives. This year, The Women's Shelter offers its traditional postcard that features a painting by a local artist and beloved friend of the Shelter. With your purchase of these cards, you not only honor these extraordinary women but also the Shelter, its mission, and its residents. Mother's Day is Sunday, May 11th. We will send this postcard to the special women on your behalf if you would please respond with contact information no later than Monday, May 5, 2025.
